O R D E R

In his letter 1<sup>st</sup> read above, the Prl. Chief Conservator of Forests (HoFF), A.P., Hyderabad has furnished a proposal for diversion of 430.42 Ha. of forest land in Kondapuram and Kondaigudem R.Fs. of Paloncha Division for Manuguru OC-IV Extension Project, in favour of Singareni Collieries Company Limited (SCCL) for their Managuru OC-IV Extension Project.

2. In the letter 2<sup>nd</sup> read above, the proposal in para-1 above was forwarded to Government of India, Ministry of Environment & Forests, New Delhi for granting approval under section -2 of the Forest (C) Act, 1980.

3. In their letter 3<sup>rd</sup> read above, the Ministry of Environment & Forests GoI have granted in-principle (Stage-I) approval for the above proposal, subject to fulfillment of the conditions stipulated thereof.

4. In the letter 5<sup>th</sup> read above, Government of Telangana have sent the report of compliance on the conditions stipulated by GoI, as submitted by the Prl. Chief Conservator of Forests, Telangana State, Hyderabad in his letter 4<sup>th</sup> read above, to the Ministry of Environment & Forests, New Delhi for according necessary approval.

5. In their letter 6<sup>th</sup> read above, the Central Government have granted final approval for the proposal in para 1 above, under Section 2 of the Forest (C) Act, 1980, subject to fulfillment of the conditions stipulated therein.

6. Accordingly, Government hereby accord **final (Stage-II)** approval for diversion of 430.42 Ha. of forest land in Kondapuram and Kondaigudem R.Fs. of Paloncha Division for Manuguru OC-IV Extension Project, in favour of Singareni Collieries Company Limited (SCCL) for their Managuru OC-IV Extension Project under section-2 of the Forest Conservation Act, 1980, subject to fulfillment of the following conditions:-

- i. Legal status of the diverted forest land shall remain unchanged;

(PTO)

- ii. Compensatory Afforestation over the non-forest land, equal in extent to the forest land being diverted shall be raised within a period of three years with effect from the date of issue of Stage-II clearance and maintained thereafter in accordance with the approved Plan in consultation with the State Forest Department at the cost of the user agency;
- iii. The non-forest land which is transferred and mutated in favour of the State Forest Department for the purpose of compensatory afforestation shall be declared as Reserved Forest under Section-4 or Protected Forest under Section-29 of the Indian Forest Act, 1927, or under the relevant Section(s) of the local Forest Act. The Nodal Officer, Forest (Conservation) Act, 1980, Government of Telangana shall submit compliance report within six months from the date of issue of the said letter;
- iv. Following activities shall be ensured by the State Govt. as per approved plan at the project cost:
  - (a) Appropriate mitigative measures to minimize soil erosion and choking of streams;
  - (b) Planting of adequate drought hardy plant species and sowing of seeds in the appropriate area within the mining lease to arrest soil erosion;
  - (c) Construction of check dams, retention/toe walls along the contour to arrest sliding down of the excavated material;
  - (d) Stabilize the overburden dumps by appropriate grading/benching so as to ensure that the angles of repose at any given place is less than 28°; and
  - (e) Strict adherence to the prescribed top soil management.
- v. The user agency shall pay the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India;
- vi. The User Agency shall obtain the Environment Clearance as per the provisions of the Environmental (Protection) Act, 1986, before work for the project is initiated;
- vii. The State Govt. shall ensure the implementation of approved Wildlife Conservation Plan to mitigate impact of project on Wildlife and other habitats of wildlife located in and around the forest land proposed to be diverted at the cost of user agency;
- viii. The State Govt. and user agency shall implement the plan for surrender of mined out and reclaimed forest land in the lease as per approved progressive mine closure plan;
- ix. The State Govt. shall monitor the status of biological reclamation of mined out areas and submit their report annually;
- x. The State Govt. shall ensure that the User agency in consultation with the State Forest Department shall create and maintain alternate habitat/home for the avifauna, whose nesting trees are to be cleared

(Contd...)

in this project. Bird nests artificially made out of eco-friendly materials shall be used in the area, including forest area and human settlements, adjoining the forest area being diverted for the project;

- xi. Fencing, protection and regeneration of the safety zone area [7.5 meters strip shall be kept within the mining lease boundary and area of the safety zone shall be part of the total area of mining lease as per the Ministry's guidelines dated 27.05.2015] shall be done within three years at the project cost as per approved scheme. Besides this afforestation on degraded forest land to be selected elsewhere measuring one & a half times the area under safety zone shall also be done at the project cost;
- xii. The State Govt. shall ensure that the user agency in consultation with the State Forest Department shall undertake afforestation on degraded forest land, one and half time in extent to the area used for safety zone;
- xiii. The period of diversion of the said forest land under this approval shall be for a period co-terminus with the period of the mining lease proposed to be granted under the Mines and Minerals (Development & Regulating) Act, 1957, as amended or Rules framed there under;
- xiv. The User Agency in consultation with State forest Department shall undertake gap planting and soil & moisture conservation activities to restock and rejuvenate the degraded open forests (having crown density less than 0.4), if any, located in the area within 100 m. from outer perimeter of the mining lease;
- xv. The State Govt. and the User agency shall ensure de-silting of the village tanks and other water bodies located within live km from the mine lease boundary so as to mitigate the impact of siltation of such tanks/water bodies whenever required, preferably within five years;
- xvi. The User Agency shall undertake mining in a phased manner after taking due care for reclamation of the mined over area. The concurrent reclamation plan shall be executed by the User Agency from the very first year, and an annual report on implementation thereof shall be submitted to the Nodal Officer, Forest (Conservation) Act, 1980, Government of Telangana and the Addl. Principal Chief Conservator of Forests (Central), Ministry of Environment & Forests, Regional Office (Southern Eastern Zone), Chennai. If it is found from the annual report that the activities indicated in the concurrent reclamation plan are not being executed by the User Agency, the Nodal Officer or the Addl. Principal Chief Conservator of Forests (Central) may direct that the mining activities shall remain suspended till such time, such reclamation activities are satisfactorily executed;
- xvii. The State Govt. and the User Agency shall ensure that no labour camp shall be established on the forest land;
- xviii. The State Govt. shall ensure that the User Agency shall provide firewood preferably alternate fuel to the labourers and the staff working at the site so as to avoid any damage and pressure on the adjacent forest areas;
- xix. The boundary of the mining lease and safety zone shall be demarcated on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, forward and back bearing, distance from pillar to pillar and GPS co-ordinates;

(Contd...)

::4::

- xx. The user agency in consultation with State Forest Department shall erect chain-link fence of suitable gauge to a height of 2.0 m around the safety zone area to prevent entry of the wildlife into the mining area;
- xxi. The mined area (dugout pits) shall be refilled with fertile soil and bench terracing be done, if required, besides raising plantation with tall plants of native species at the cost of the user agency as a part of reclamation of the mined area;
- xxii. Boundary of the individual mines and safety zone shall be demarcated by erecting RCC pillars to avoid disputes among the lease holders as well as to check encroachment into adjoining forests;
- xxiii. The State Govt. ensure that the suitable bridges /quality roads shall be constructed at all low lying spots being frequently damaged due to movement of lorries with heavy loads of coal at the cost of the user agency;
- xxiv. The forest land shall not be used for any purpose other than that specified in the proposal;
- xxv. Any other condition that the Regional Office (Southern Zone), Chennai of this Ministry and the State Govt. of Telangana may stipulate, from time to time, in the interest of conservation, protection and development of forests & wildlife;
- xxvi. All other conditions stipulated in the Stage-I approval for which the user agency has submitted undertakings shall be complied with;
- xxvii. The User Agency shall submit annual report on compliance to conditions stipulated in this clearance and also to the conditions stipulated in the Stage-I approval for which the user agency submitted undertakings, to the State Government, concerned Regional Office and this Ministry by the end of March every year regularly;
- xxviii. The User Agency and the State Government shall ensure compliance to provisions of the all Acts, Rules, Regulations, Guidelines and Hon'ble Court's order(s) pertaining to this project for the time being in force, as applicable to the project.

7. The Principal Chief Conservator of Forests (HoFF), Telangana State, Hyderabad shall take necessary action, accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF TELANGANA)

B.R. MEENA  
SPECIAL CHIEF SECRETARY TO GOVERNMENT

To  
The Principal Chief Conservator of Forests (HoFF),  
Telangana State, Hyderabad.
